Check our website for the latest info right up to the date of the event. Please hit “refresh” when you pull it up. www.waterfordheritageday.com . We have a great lecture set up for Thursday night and a great concert and fireworks for Friday, so feel free to come and spend more time here.

For those camping- please note-

No vehicles will be allowed on the field

Saturday morning all vehicles will have to move to designated parking area and cannot stay along the fence of the field or opposite side. These spaces will be used for the engines.

No open fires

Please be mindful of our neighbors. Use the port- o- potties and try not to be too loud.

If you have e-mail and would like me to e-mail you this letter so you can forward it to your members please send me a note. The other attached information will be on our website soon.

Sincerely,

Brad L. Utter, Director
